

# ANNUAL CONSULTANTS' CONFERENCE

JUNE 8-11  
**2011**  
SAN DIEGO

NATIONAL ASSOCIATION OF CERTIFIED VALUATORS AND ANALYSTS • INSTITUTE OF BUSINESS APPRAISERS

Track: **Fraud Risk Management**

Sponsored by financialforensics® and the Financial Forensic Academy

Session Date/Time: *Friday, June 10, 2011 • 2:05 – 3:45 PM*

Session Title: **Computer Forensic Investigation—How to Protect your Assets**

Session Summary:

This presentation will educate participants on the value of protecting proprietary information and conducting forensic computer investigations with chain of custody to prove a civil or criminal case. The presentation will also discuss valuable tools to protect identities on information systems, as well as how to respond if there has been a breach of the information.

CPE Hours/Fields of Study: CPE: 2 • 1Hr-AC, 1Hr-BL

Presenter Bio(s): **Ronald Williams, CEO**

Ron served 23 years in the United States Secret Service retiring as the Assistant to the Special Agent in Charge for the Los Angeles Field Office. Mr. Williams supervised the Counterfeit Money Squad, the Financial Fraud Squad that included Credit Card Fraud, Identity Theft, and Computer Fraud, the Presidential Protection Squad, and the elite Counter Assault Team (CAT). He founded Talon to provide white collar crime investigations, as well as IT Security & Computer Forensics.
